Our Hearts, Our Minds, and Our Doors Are Always Open

January 9, 2007

Dear Friends,

I know that we all enjoy the photos of church activities in the Skylines and on the church website. However, an important matter has been brought to my attention by the Annual Conference staff with regard to publishing those photos. It has been recommended to us that we keep on file release forms that indicate person's willingness to have their photos used in that fashion.

Therefore, we are asking everyone to complete the form on reverse of this letter. This information will be used when decisions are made with regard to which photos we publish.

While we want to continue to use photos in our church publications, our concern here is for the privacy of all church members. Please read enclosed statement, check the appropriate box, sign the form, and return it to the church office. Thank you for your cooperation in this matter.

Faithfully,

Julia M. Price
